

VP100

Simple and easy-to-use vacuum cleaner

- for general everyday cleaning

VP100 offers you the ideal cleaning solution with minimal fuss. Robust design with simple operation ensures that VP100 can be used intuitively with very little instruction.

To ensure its ease of use, it has standard features such as:

- Intuitive on/off switch
- Compact cable storage
- Accessory storage
- Simple dust bag replacement

VP100 is fully compatible with the range of accessories offered with the rest of the Nilfisk dry canister vac portfolio. It allows to be more flexible in replacement of accessories and reduce the overall operating costs of your complete Nilfisk cleaning solution.

Ergonomic and easy to reach accessory parking

Intuitive cord storage
