

VP300 series

The reliable everyday vacuum cleaner

- in an ergonomic and light-weight design

VP300 can be carried safely and comfortably in one hand

Discreet storage for nozzles allow all the tools you need to be within easy reach at all times

A general purpose vacuum for everyday use

Ensuring an effective cleaning experience everytime

The Nilfisk VP300 series is a basic, well-built and durable machine that can be relied upon to do the job day in and day out. It is ideal for cleaning offices, hotel rooms, retails outlets and similar light to medium duty applications.

The Nilfisk VP300 series has a top rated filtration level with a H13 HEPA exhaust filter as standard on all variants. This helps maintain a high quality of air within the cleaning environment. To ensure the machine will fit your exact cleaning application, the VP300 is available in different variants and configurations. For energy efficient cleaning our VP300 eco variant provides a great cleaning performance and a very low sound level appropriate for daytime cleaning.

The easy-to-use design of the VP300 series offers:

- Best-in-class filling capacity which means less time spent changing dust bags
- Weighs from just 5 kg making it easy to move from place to place
- Low sound pressure level from 58 dB(A) makes the machine suitable for daytime cleaning
- Secure and easy to reach accessory and power cord storage

Dual speed for tailored use in a wider variety of applications

Detachable orange cord on selected variants

High filtration level with HEPA exhaust filter

The truly outstanding affordable vacuum cleaner

- Dual speed on selected variants
- Strong and robust on/off switch
- Ergonomically designed carrying handle to allow comfortable and safe transport
- HEPA exhaust filter
- Non-marking protective bumper

- ← A convenient parking solution
- ← Cord storage
- ← Detachable orange cord on selected variants
- ← Protected rear wheels
- ← Accessories stored discreetly & securely between rear wheels
