

TW 300

Professional Spray Extractor

- Compact design with high capacity

With a high capacity design this compact spray extractor is easy to handle and transport. Perfect in medium-sized areas and for maintenance cleaning. The spray extractor doesn't only extract but can also be used as a vacuum cleaner or to pick up spilled liquids. The large range of accessories makes them all-round carpet cleaning machines.

The TW 300 is an all-round carpet extractor ideal for cleaning large areas, buses, aircraft etc. A perfect carpet cleaning machine for the dirtiest of carpets and furniture.

- Low centre of gravity
- Clear lid on recovery tank
- Compact spray extraction unit with extensive accessory package
- Rugged tanks
- Super suction power

Nilfisk machines are some of the most cutting edge and user-friendly available, making cleaning easier.
